

Discord

/ Discord?

Discord hat sich in den letzten Jahren zu einer der wichtigsten Plattformen für Kommunikation in der Online-Welt entwickelt. Ursprünglich als Gaming-Chat-Plattform gestartet, hat sich Discord zu einem vielseitigen sozialen Netzwerk entwickelt, das Menschen aus verschiedenen Interessensgruppen und Communities zusammenbringt und vereint.

/ Entstehung

– Discord wurde von Jason Citron und Stanislav Vishnevsky entwickelt.

– Die Firma dahinter heißt „Discord Inc.“ und wurde 2015 gegründet

– Ursprünglich als Plattform für Gamer konzipiert, um eine bessere Kommunikation während des Spielens zu ermöglichen

– Name „Discord“ leitet sich von „Unstimmigkeit“ ab

/ Team hinter Discord

Ein engagiertes Team aus Entwicklern, Designern und Ingenieuren arbeitet daran, Discords Vision einer benutzerfreundlichen Kommunikationsplattform zu realisieren.

/ User-Oberfläche

The image shows the Discord Discover interface. On the left is a dark sidebar with the Discord logo at the top. Below it are three navigation buttons: a blue 'Home' button, a 'Student Hubs' button with a 'NEW' badge, and a green button with a white 'D' icon. The main area features a large, colorful banner with a purple and blue background and floating islands. The banner contains the text 'Find your community on Discord' and 'From gaming, to music, to learning, there's a place for you.' Below this is a search bar with the placeholder text 'Explore communities' and a magnifying glass icon. At the bottom of the banner is a compass icon with a yellow star and the text 'There are more communities out there! Try searching for them.' The bottom of the sidebar shows a user profile for 'Philosophi...' with a green icon, a red slash icon, a headset icon, and a gear icon.

The screenshot displays the Discord user interface. At the top, there is a search bar labeled "Find or start a conversation" and a navigation bar with tabs for "Friends", "Online", "All", "Pending", and "Blocked", along with an "Add Friend" button. The left sidebar contains the Discord logo, a plus sign, and a "DIRECT MESSAGES" section with a plus sign. The main content area shows a "Friends" list with several entries, each featuring a profile picture and a name. Below the list is a large illustration of a Wumpus character sitting on a log in a forest, with the text "No one's around to play with Wumpus." underneath. The right sidebar features an "Active Now" section with the heading "It's quiet for now..." and a sub-heading "When a friend starts an activity—like playing a game or hanging out on voice—we'll show it here!". At the bottom, the user's profile is visible, showing the name "Philosophi...", a profile picture, and icons for mute, voice, and settings.

/ User-Oberfläche

The screenshot shows the Discord Shop interface. On the left is a dark sidebar with navigation options: a search bar labeled "Find or start a conversation", "Friends", "Shop", and "DIRECT MESSAGES". The main content area features a festive banner with a blue background, a blue character in a Santa hat, and a shelf of items. The banner text reads: "Ready for a new look? Charming. Fierce. Hungry. Whatever your vibe, buy and collect your favorite styles for your profile for any occasion." Below the banner is a grey mouse icon with a cone on its head. The error message states: "Well, this is awkward. Hmm, we weren't able to load the Shop. Check back later." A blue "Reload" button is positioned below the message. The bottom of the screen shows a user profile for "Philosophi..." with icons for mute, deafen, and settings.

Grundlegende Funktionen sind kostenlos verfügbar. Discord Nitro, die Premium-Mitgliedschaft, bietet erweiterte Funktionen zu variablen Kosten, abhängig von Region und Zahlungsplan.

/ Vorteile für Designer:innen

– Kollaboration: Ermöglicht nahtlose Zusammenarbeit und Kommunikation.

– Community-Building: Designer können eigene Server erstellen und Feedback erhalten.

–Integration von Tools: Unterstützt die Integration von hilfreichen Anwendungen und Bots.

/ Nachteile für Designer:innen

– Begrenzte Dateigröße: Kostenlose Version hat Dateigrößenbeschränkungen.

– Qualitätsverlust: Übertragung von Dateien kann zu Qualitätsverlust führen.

– Ablenkungen: Vielfältige Kanäle könnten zu Ablenkungen führen, erfordert Disziplin.

Ende.
