## A few quick questions: first, have you freelanced before?

This lets us know how much help to give you along the way. We won't share your answer with anyone else, including potential clients.

I am brand new to this

I have some experience

I am an expert

# Got it. What's your biggest goal for freelancing?

Different people come to Upwork for various reasons. We want to highlight the opportunities that fit your goals best while still showing you all the possibilities.

To earn my main income

To make money on the side

To get experience, for a full-time job

I don't have a goal in mind yet

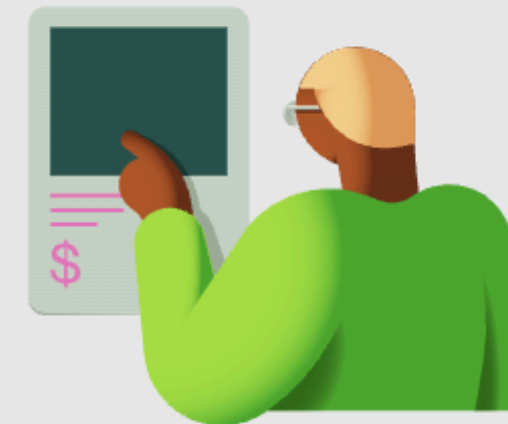

# And how would you like to work?

Everybody works in different ways, so we have different ways of helping you win work. You can select multiple preferences now and can always change it later!

## I'd like to find opportunities myself

Clients post jobs on our Talent Marketplace™: you can browse and bid for them, or get invited by a client.

## I'd like to package up my work for clients to buy

Define your service with prices and timelines: we'll list it in our Project Catalog™ for clients to buy right away.

# Got it. Now, add a title to tell the world what you do.

It's the very first thing clients see, so make it count. Stand out by describing your expertise in your own words.

Your professional role

Visual Artist, 3D, Coding, generative design

Add experience

Add education

## Looking good. Next, tell us which languages you speak.

Upwork is global, so clients are often interested to know what languages you speak. English is a must, but do you speak any other languages?

### Language

English (all profiles include this)

### Proficiency

Fluent 

German 

Native or Bilingual 

# Nearly there! What work are you here to do?

Your skills show clients what you can offer, and help us choose which jobs to recommend to you. Add or remove the ones we've suggested, or start typing to pick more. It's up to you.
