The image shows a smartphone screen with a journaling app. The app has a dark purple header with a hamburger menu icon on the left and a calendar icon on the right. Below the header, the title "Today" is centered. There are five input fields, each with a white speech bubble shape and three dots indicating text input. The fields are labeled: "What did I do today?", "A highlight of my day...", "A low point of my day...", "I am grateful for...", and "A memory from today". The last field has a camera icon. At the bottom of the screen, there is a colorful bar with orange, green, and blue segments.
